

## Clean-Step

### Dirt control with a difference

- A pad of adhesive 'tacky' layers fixed to a sturdy rigid backing so that it's possible to relocate.
- The adhesive coating effectively attracts and contains walked in dirt and dust for floor cleanliness.
- Once soiled, each layer is peeled off and disposed of to reveal a clean sheet.
- Refill pads containing 60 layers are available.

## Technical Specification

<b>Surface Finish:</b>	Smooth
<b>Product Height:</b>	6.5mm
<b>Operating Temperature:</b>	0°C to +60°C
<b>Environmental Resistance:</b>	Indoor use only
<b>Typical Applications:</b>	Many applications including: entrances to "clean room" environments, entrances to offices from shop floors, food applications and hospitals
<b>Installation Method:</b>	Loose lay
<b>Country of Origin:</b>	China

Sizes	White	Blue	Weight
0.8m x 0.6m (includes one 60 layer pad)	WC000011	WC020011	2.95 kg
0.8m x 1.3m (includes one 60 layer pad)	WC000022	WC020022	5.40 kg
0.6m x 0.76m replacement 60 layer pad	WC000003	WC020003	3.25 kg
