

## First-Step Tack Mat

### The first step to contamination control

- A hygienic pad of peel-off, disposable adhesive sheets to protect against bacteria, mould and mildew.
- The 'tacky' sheets capture dirt and dust from footwear and wheeled equipment for contamination control.
- When the top sheet becomes soiled, simply peel off to reveal a clean layer.
- Comes with self-adhesive backing to keep the mat in place.
- Ideal for hospitals, clean rooms, general industrial environments, and any other area where hygiene is an important factor.

### Styles Available

White

Blue

### Parts

Part Number	Size	Colour	Weight
WC000004	0.45 m x 1.17 m	White	3.25 kg
WC020004	0.45 m x 1.17 m	Blue	3.25 kg

### Technical Specification

<b>Material</b>	PE with water based acrylic adhesive.
