

## Barrier Tape

Create temporary barriers to hazardous areas

- Durable and easy to apply to inside or outside areas.
- Red and white striped means the tape is highly visible.
- Strong non-adhesive polyethylene barrier tape for industrial environments.

### Parts

Part Number	Size	Colour	Weight (kg)
BT130301	76.2 mm x 500 m	Red/White	1.8

### Technical Specifications

Material	PE
Roll Length	500 m
Environmental Resistance	Suitable for indoor and outdoor environments
Typical Applications	Temporary construction barrier
COO (Country of Origin)	IT
