

Social Distancing Floor Mats for Schools

Loose lay floor mats to promote social distancing in education

- Communicate social distancing rules to your pupils to reduce risk of coronavirus spread.
- Ideal for schools, colleges, and universities.
- Cost effective and durable way to demonstrate social distancing measures.
- Mats are 2 metres long to provide a clear visual reminder to stay apart.
- Mats stay in place thanks to vinyl backing, but can also be relocated and washed unlike floor stickers.
- Printed digitally for superb colour reproduction and definition.
- Low profile borders to reduce the risk of trips.
- Machine washable at 30°C.
- Product Height: 6 mm.

Styles Available

Parts

Part Number	Size	Colour	Weight (kg)
SDM010401	0.65 m x 2 m	Grey/Green	3.51
SDM010401	0.65 m x 2 m - People	Grey/Green	3.51 kg

Technical Specifications

Material	PA
Backing	Vinyl
Surface Finish	Velour
Product Height	6 mm
Product Weight	2.7kg / m ² ± 100g / m ²

Pile Height	4mm
Mat Edge	Stock mats will have a vinyl edge. Bespoke mats can be supplied with or without an edge.
Absorbency	1.1 l/m ²
Pile Yarn Composition	100% PA
Pile Weight	0.4kg / m ²
Min. Operating Temperature	-10°C
Max. Operating Temperature	+50°C
Resistance to Chemicals	Good
Environmental Resistance	Suitable for indoor environments only
Typical Applications	Reception desks, Checkouts, Entrance areas, Retail locations
Installation Method	Loose lay
Cleaning Method	Machine wash at 30°C
COO (Country of Origin)	BE
Coating Thickness	2 mm
Tuft density	189,000 / m ²
Manufacturing process	Tufting cut pile – digitally printed
