

Tough Deck

Recycled drainable leisure tiles

- Non-slip interlocking decking for wet areas.
- Combination of substantial product height and large holes offers excellent drainage.
- An economical yet durable matting solution.
- Easy DIY installation with connectors that conceal joins.
- Ideal for leisure use, especially in shower areas and changing rooms.
- Ramped edges to prevent trips are available in black or yellow.
- Slip tested to DIN 51130.

Parts
